

# PSM2 assignment

## 1-on-1 feedback form

**Use this template to submit your work for the 1-on-1 feedback session.**

*Make sure to submit your work before the deadline (22 March 2019) so that we can read and consider your work.*

Use the sections below to provide some background on your project and initial considerations about your intended analysis.

Your name:

**Which aspects are you unsure about?**

(use bullet points)

**What is your own additional research question?**

**Describe your analysis**

(use bullet points)

**Describe any coding issues**

(use bullet points)

**Describe the current state of your project**

(use bullet points)
